Dear Friend:

We are contacting you early to ensure you mark your calendar for our special event:
The 9th annual Domestic And Sexual Abuse Services (DASAS) Golf Outing.

DATE: Monday, June 9, 2008

NEW Location: St. Joe Valley Golf Club, M-86, Sturgis, MI

NEW Start time: 9:30 a.m. shotgun/18-Hole Flighted Scramble

As a previous sponsor, we wanted to give you the best opportunity to secure a sponsorship. And of course, doing so would provide you with tax advantages, so we hope you will consider securing your sponsorship and sending in your check this month. In an effort to increase our raised funds DASAS can no longer include golf/dinner with sponsorship.

As you know, we are a *local* agency serving St. Joseph, Cass and Van Buren county communities with much needed services for domestic and sexual assault victims. We must rely on *local* contributions more than ever before to keep our services at full strength, as we are facing a sizeable deficit this year. Your support will keep us working hard to help victims find safety and support.

Secure your sponsorship by February 15, 2008 and we will guarantee your golf course signage, acknowledgements in our publicity materials and event program.

Thank you so much for your past support. It's good to know that you feel the Domestic And Sexual Assault Services is worthy of your support. If you have questions, please contact the Golf Coordinator, Jill Polomcak at 269-268-7564.

Warm regards,

Ned Haylett
